Miss Lady

Doo ~ Doooo Bee Doooo  
Be Doo ~ Doooo Bee Doooo  
Be Doo ~ Doooo Bee Doooo  
Be Doo ~ Doooo Bee Doooo

Oh Miss Lady do you know how hard it is  
To watch you from afar ~ a blinking twinkling star  
Your crinkly smile and fetching eyes  
Catch me off guard nearly every single time

How my heart breaks  
When your hand rests so lightly  
Your laughter springs so sprightly  
At someone else's joke

Please do me the courtesy  
Of drinking at some other gin joint  
And while the night away  
Without holding my heart at gunpoint

Doo ~ Doooo Bee Doooo  
Be Doo ~ Doooo Bee Doooo  
Be Doo ~ Doooo Bee Doooo  
Be Doo ~ Doooo Bee Doooo
