

Love Takes Care of Me

[Charlie Louvin](#)

Cause your love takes good care of me yes your love takes good care of me
And when the rain falls and the wind blows and the storm is on the sea
I'll be safe your love takes good care of me When life for me gets weary and the sun refuses to shine
I run to the arms of the one I love and there I'll hide
You know just what to do and say you make my life worth while
And when I look upon your face I see heaven in your smile
Cause your love takes...
I'll be safe your love takes good care of me
