

Engaged

Eartha

Iâ€™m engaged in the craze,
been doing it like this for days
Ainâ€™t no way Iâ€™m going to let up
Iâ€™m going to get up every time I hear your name

No matter where I am,
If I have to send a telegram
Iâ€™ll find a way to deliver
Thatâ€™s (just) how convinced I am

I hear you. You hear me. We agree.

I have vowed to give my best
Donâ€™t want to give you nothing less
If the test requires the same
Reservations under my name

Iâ€™ve been giving my props to you
We know this ainâ€™t nothing new
Iâ€™ll admit every now and then
Iâ€™ve gotta cut a fresh step for you

I hear you. You hear me. We agree.

Ainâ€™t no questions about what Iâ€™m going to do
Itâ€™s my time to give up my all to you

Ainâ€™t no questions about what Iâ€™m going to do
Itâ€™s my time to give up my all to you

I hear you. You hear me. Glad to know we agree.

Iâ€™m engaged. This is the thing
I will admit it; Iâ€™m all wrapped up in it
Iâ€™m engaged. This is the thing
Iâ€™m actively committed. Iâ€™m all wrapped up in it

Iâ€™m engaged. This is the thing
I will admit it; Iâ€™m all wrapped up in it
Iâ€™m engaged. This is the thing

Iâ€™m actively committed. Iâ€™m all wrapped up in it

Iâ€™m engaged. This is the thing
I will admit it; Iâ€™m all wrapped up in it
Iâ€™m engaged. This is the thing
Iâ€™m actively committed. Iâ€™m all wrapped up in it

I hear you. You hear me. Glad to know we agree.

Ainâ€™t no questions about what Iâ€™m going to do
Itâ€™s my time to give up my all to you

Ainâ€™t no questions about what Iâ€™m going to do
Itâ€™s my time to give up my all to you

Iâ€™m engaged. This is the thing
I will admit it; Iâ€™m all wrapped up in it
Iâ€™m engaged. This is the thing
Iâ€™m actively committed. Iâ€™m all wrapped up in it
