

Little Sister

Elvis Presley

Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you
Do what your big sister done Well, I dated your big sister
And took her to a show
I went for some candy
Along came Jim Dandy
And they snuck right out of the door Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you
Do what your big sister done Every time I see your sister
Well, she's got somebody new
She's mean and she's evil
Like that old Boll Weevil
Guess I'll try my luck with you Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you
Do what your big sister done Well, I used to pull your pigtales
And pinch your turned-up nose
But you been a growin'
And, baby, it's been showin'
From your head down to your toes Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run

Little sister, don't you
Do what your big sister done
Little sister, don't you
Do what your big sister done
