

All I Need is a Miracle

Mike & The Mechanics

1, 2, 3, 4 Go if you wanna go
Stay if you wanna stay
I didn't care if you hung around me
I didn't care if you went away Knew you were never right
I'll admit I was never wrong
I could never make up my mind
I made it up as I went along Though I treated you like a child
I'm gonna miss you for the rest of my life, ha All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you Never had any time
And I never had any call
But I went out of my way just to hurt you
The one I shouldn't hurt at all Thought I was being cool
Yeah, I thought I was being strong
But it's always the same old story
You never know what you've got 'til it's gone If I ever catch up with you
I'm gonna love you for the rest of my life, ha All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you Ever catch up with you
Gonna love you for the rest of your life, ha All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need, all I need, all I need is a miracle
All I need is a miracle, all I need, yeah All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you All I need, all I need is a miracle
All I need, all I need is a miracle
All I need is a miracle, all I need, yeah, is you
