Welcome Back to Nothing

Face to Face

I'll be the one you loved,
I'll be the one you loved away
No way you're going back
Waited too long now it's too late(Pre-)
Don't call it desperation
It's thundering the train
It's just a minor setback
It's misery and pain
Supposed to be the chosen one
You got one now to shine tonight
Welcome back to nothingI'll take you by the hand
I'll take your hand and I'll reply
Your tail's between your legs
You win to giving up so quick this time(Pre-)
It's like the desperation,
It's thundering the train
It's setback after setback
It's misery and painSupposed to be the chosen one
You got one now to shine tonight
Welcome back to nothing
Back to doing nothing
Back to doing nothing
Back to doing nothing
Back to doing nothingNothing nothing nothing nothing
Nothing nothing nothing nothing
