

# Belly Of The Beast

## Anthrax

You walk this earth without a heart  
You tear the innocent's souls apart  
You shovel your conscience into the grave  
You walk this earth without a heart  
Your uniform couldn't be taken off  
A tattoo burned into your flesh  
Your mind, your voice  
These are your instruments of death  
How could you dare to be so bold  
You only did as you were told  
Marionettes dancing in time  
To the apologetic lines  
For all the monsters of our time Who is evil, who is blind?  
In the name of who you'll find  
A city of souls dying for peace  
Welcome to the belly of the beast  
One mind, one voice  
Welcome to the belly of the beast  
Who hears your voice? Millions, never, never again  
Madness, never, never again  
Martyrs, dead that can't die  
Monsters Insanity, the normal state  
The left hand a hammer, the right the stake  
Driven so deep into the heart  
It's killing love, it's killing faith  
It's killing 'cause it's from the heart  
What better way to demoralize  
When your own children are your spies  
The things you trust are not the same  
Trust in death, trust in grief  
Trust in hope is trust in pain Who is evil, who is blind?  
In the name of who you'll find  
You're not supposed to question faith  
But how do you accept this fate? Millions, you walk this earth without a heart  
Madness, tear the innocent's souls apart  
Martyrs, shovel your conscience into the grave  
Monsters
