

# Don't We All Have the Right (To Be Wrong)

**Roger Miller**

I laughed it off when she left  
I said she'd come back again  
Don't we all have the right

To be wrong now and then She won't come home

She says her love will never be mine again

Don't we all have the right

To be wrong now and then Guess I wasn't

So smart after all

I forgot that with love

There are two ways to fall She won't come home

She says her love will never be mine again

Don't we all have the right

To be wrong now and then Guess I wasn't

So smart after all

I forgot that with love

There are two ways to fall She won't come home

She says her love will never be mine again

Don't we all have the right

To be wrong now and then
