

Of Chivalry and Romance In a Dumpster

[This Bike Is a Pipe Bomb](#)

we made out in a dumpster behind the thrift store. we had plans, i guess you could say that we failed them. These tattoos are forever. It's gonna snow forever here, but these things don't matter no more, cause I'm not a punk rock hero, and you're no fairy princess. just cause you're beautiful and i've got a stupid haircut.
