

Strawberrez

Mis-Teeq

Verse 1

Felt like sunshine,
when we showered in the dark,
Taste like candy raindrops hailing on me caught in the storm of love,
Precious moments I have captured like a picture caught in the frame of my mind,

Plus I feel you breathing on me

I'm not lonely 'cause I have all of these

Strawberrez and sweet bruises of love,

They remind me of the night before,

Never felt so good or been so sore,

I find myself running back for more 'cause

All I do is think of how I'm hooked on your love,

When you showed me what you can do last night was so beautiful,

Everybody thinks I'm crazy 'cause I'm always,

always laughing out loud,

If they knew what I was thinking they would tell me girl follow your heart,
And let him know that all I need is more of sweet,sweet,sweet,sweet love

Bridge 4x
For your love oh`Cause it`s like...

Strawberrez and sweet bruises of love,

They remind me of the night before,

Two hearts that throb from a love so pure,

I find myself in allure
