# Stoneface

## Despair

Didn't notice I was gone
cause you were tying up your arm
oh...
and when I stand on my head
you never react
I can't get you to crack
I can't get you to crack
not one fucking smile
and when it comes right down to it
I'm gonna run right back to him
I want a peace mapped out
cause I really love his stoneface, oh
I really love his stoneface, oh
I really love it
a sneaky ?god? has got my man, man
that kind of love don't understand
him
oh, oh
and when I swallow my gum
you never react
I can't get you to crack
I can't get you to crack
not one fucking smile
and when it comes right down to it
I'm gonna run right back to him
I want a peace mapped out

cause I really love his stoneface, oh
I really love his stoneface, oh
I really love it
swallow hard, until you
I'll be the one to thrill you
I'll be the first to kill you
and if you won't die, I will
when I shortsheet the bed
you never react
I can't get you to crack
I can't get you to crack
I can't get you to crack

I can't get you to crack
I can't get you to crack
not one fucking smile
and when it comes right down to it
I'm gonna run right back to him
I want a piece knocked out of him
I really love his stoneface, oh
I really love his stoneface, oh
I really love it
