

Take My Love Mon Amour

French Affair

Oh Baby tonight tonight
Don hesitate, it gonna be all right
I take you high and don deny my desire
Oh Baby my heart is on fire
I touch your skin and I feel the warmness of your body
Your body
Il be your fantasy, your night loving thing
Je time, I swear I do Take my love mon amour
Take my love make it al right
Thanks your life with the color so bright
Take my love pour toujours
Take my love make it all right
Feel so good when you are by my side No matter where I go and what I do
I think of you, I need you so
Il be anything , yes Il be anything
Your average went of ?????
I love you, I love you
There is no love for anyone else then you
You make me feel alive
I love you only, I swear I do
Je time, Oh yes I swear I do
