

Rafiki

Zap Mama

Nilipata Rafiki
Na penda rafiki
Na bakie Sit down here'n
Tell me a story When you're with friends
No need to hurry
No more rush, no more haste
No more When you're with friends
No need to hurry
No more rush, no more haste
No more Time to see sisters
Face to face
Time to talk, time to breathe
I can believe
I have a friend
Now I believe
