

Toxic (feat. Cheesa)

District 78

Baby can't you see
I'm coming
A guy like you should wear a warning
It's dangerous
Falling
There's no escape
I can't wait
I need a hand
Baby give me it
I'm dangerous
I'm running
Too high can't come down
Losing my head spinning round and round
Can you feel me now With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of a poison paradise
I'm addicted to you
Don't you know that you're toxic
Don't you know that you're toxic And I love what you do
Its getting late
To give you up
I take a sip
From the devil's cup
Its already taken over me
Too high can't come down
Its in the air and its all around
Can you feel me now With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of your poison paradise
I'm addicted to you
Don't you know that you're toxic
Don't you know that you're toxic Intoxicate me now with your love or more
I think I'm ready now
I think I'm ready now
Intoxicate me now with your love or more
I think I'm ready now
I think I'm ready now With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of your poison paradise

I'm addicted to you
Don't you know that you're toxic
