

# The Dogs of War

## Pink Floyd

Dogs of war and men of hate  
With no cause, we don't discriminate  
Discovery is to be disowned  
Our currency is flesh and bone  
Hell opened up and put on sale  
Gather 'round and haggle  
For hard cash, we will lie and deceive  
Even our masters don't know the web we weave  
One world, it's a battleground  
One world, and we will smash it down  
One world ... One world  
Invisible transfers, long distance calls,  
Hollow laughter in marble halls  
Steps have been taken, a silent uproar  
Has unleashed the dogs of war  
You can't stop what has begun  
Signed, sealed, they deliver oblivion  
We all have a dark side, to say the least  
And dealing in death is the nature of the beast  
One world, it's a battleground  
One world, and we will smash it down  
One world ... One world  
The dogs of war don't negotiate  
The dogs of war won't capitulate,  
They will take and you will give,  
And you must die so that they may live  
You can knock at any door,  
But wherever you go, you know they've been there before  
Well winners can lose and things can get strained  
But whatever you change, you know the dogs remain.  
One world, it's a battleground  
One world, and we will smash it down  
One world ... One world
