

# Frequently Baby (She's A Teenage Maniac)

MÃªlÃ©e

I'm outta my mind running around with you.  
Searching your eyes for an answer of something true,  
But when I turn back around to go get you  
You've gone and run away. I'd kiss you goodbye if I thought it would make you stay.

She's just a teenage maniac,  
Ripped my heart out on the dance floor.  
She's just a teenage maniac,  
Ripped my heart out on the dance floor.  
Oh I'm running away from you.

Yesterday's world's fighting for a change  
And letting their memories look so sad.  
You try to hold on to days that you wish we had.  
Now this was supposed to be my hit song  
But then I wasted all on you.  
Tomorrow is near and I'm not gonna waste it too.

She's just a teenage maniac,  
Ripped my heart out on the dance floor.  
She's just a teenage maniac,  
Ripped my heart out on the dance floor.  
T-t-t-teenage maniac,  
Ripped my heart out on the dance floor.  
Oh I'm running away from you!

[Repeat: x4]

She's just a teenage maniac,  
Ripped my heart out on the dance floor.

Oh, oh.  
Running away from you!
