

# Give Me A Reason

## Alucidnation

This is another lonely morning  
It feels like another lonely night  
I'm almost sure I'll give up hoping  
Or shouldn't I give it one more try

    Give me a reason  
    To hold on to this love  
    Give me a reason  
    To stay strong in my heart  
    Show me a reason that I go on  
    Words came straight from the start  
    All alone  
    Give me one good reason  
    A reason to go on  
    Did I just see a tear in your eyes

    Did I just miss a silent sign  
    Is it the end or is it my mind  
    Making it hard for you to try  
    Give me a reason  
    To hold on to this love  
    Give me a reason  
    To stay strong in my heart  
    Show me a reason that I go on  
    Words are straight from the start  
    All alone  
    Give me one good reason  
    A reason to go on
