

Why Can't I

[Liz Phair](#)

Get a load of me, get a load of you
Walking down the street, and I hardly know you
It's just like we were meant to be Holding hands with you, and we're out at night
Got a girlfriend, you say it isn't right
And I've got someone waiting too, this is just the beginning
We're already wet, and we're gonna go swimming Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable, it's a fact that we're gonna get down to it
So tell me
Why can't I breathe whenever I think about you Isn't this the best part of breaking up
Finding someone else you can't get enough of
Someone who wants to be with you too It's an itch we know we are gonna scratch
Gonna take a while for this egg to hatch
But wouldn't it be beautiful Here we are, we're at the beginning
We haven't fucked yet, but my heads spinning Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable, it's a fact that we're gonna get down to it
So tell me
Why can't I breathe whenever I think about you I'd love for you to make me wonder
Where it's going
I'd love for you to pull me under
Somethings growing
For this that we can control
Baby I am dying Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable, it's a fact that we're gonna get down to it
So tell me
Why can't I breathe whenever I think about you
