Waiting Outside The Lines

Greyson Chance

You never enjoy your life
Livin' inside the box
You're so afraid of taking chances
How are you going to reach the top?
Rules and regulations
Force you to play it safe
Get rid of all the hesitation
It's time for you to seize the day
Instead of just sitting around
And looking down on tomorrow
You gotta get your feet off the ground
The time is now
I'm waiting, waiting, just waiting
I'm waiting, waiting outside the lines
Waiting outside the lines
Waiting outside the lines
Try to have no regrets
Even if it's just tonight
How you gonna walk ahead
If you keep living blind
Stuck in the same position
You deserve so much more
There's a whole world around us
Just waiting to be explored
Instead of just sitting around
And looking down on tomorrow
You gotta get your feet off the ground
The time is now, just let it go
I don't want to have to force you to smile
I'm here to help you notice the rainbow
'Cause I know what's in you is out there
I'm waiting, waiting, just waiting
I'm waiting, waiting outside the lines
Waiting outside the lines
Waiting outside the lines
I'm trying to be patient
Each step is the hardest
I know you can make it
Go ahead and take it

I'm waiting, waiting, just waiting
I'm waiting
I'm waiting, waiting, just waiting
I'm waiting, waiting outside the lines
Waiting outside the lines
Waiting outside the lines
You never enjoy your life
Livin' inside the box
You're so afraid of taking chances
How are you going to reach the top?
