

# I'm no Superman

## Scrubs Theme Tune

Out the door  
Just in time  
Head down the 405  
Gotta meet the new boss by 8 am

The phone rings in the car  
The wife is workin hard  
She runnin late tonight again

Well I know what I've been told  
U gotta work to feed the soul  
But I can't do this all on my own  
No I know  
I'm no superman  
I'm no superman

And you've got your love online  
U think you're doin fine  
But you're just plugged into the wall

And that deck of tarot cards  
Won't get u very far  
There ain't no hand to break your fall

Well I know what I've been told  
U gotta know just when to fold,  
But I can't do this all on my own  
No I know  
I'm no superman  
I'm no superman

You've crossed the finish line  
Won the race but lost your mind  
Was it worth it after all?

I need u here with me  
Cause love is all we need,  
Just take a hold of the hand that breaks the fall

Well I know what I've been told

Gotta break free to break the mold  
But I can't do this all on my own

No I can't do this all on my own  
No I know  
That I'm no  
Superman  
I'm no superman  
I'm no superman

(Some day well be together)  
I'm no superman  
(Some day)  
(Someday well be together)  
(Someday)  
I'm no superman
