

Club-A-Gogo

The Animals

My baby found new place to go
Hangs around town at the Club-A-Gogo
Takes all my money for the picture show
But I know she spends it at the club-A-Gogo
Let's go, baby, let's go, I love you, come on, yeahIt's one of the coolest spots in town
You take too much though it's bound to get you down
She's got a boyfriend they call Big Joe
He's a big shot at the club-A-Gogo
Baby, come on, let's go, let's go baby, yeahNow they play the blues there every day and every night
Everybody, monkeys, and they feel alright
Ask my friend Meyer he'll tell you so
That there ain't no place like the club-A-Gogo
Let's go babe, ah, let's go, come on,
It's alright, it's alright, it's alright, yeahI guess I can't blame her for goin' up there though
The place is full of soul, heart and soul, baby
It's alright, dad, John Lee Hooker, Jerome Green
Rolling Stones, Memphis Slim up there
Jimmy Reed too, baby, Sonny Boy Williamson, baby
