Deep Water

Andrew Ripp

It's like quicksand leaving me feeling me paralyzed
At the edge of the ocean floor
I've been standing here looking out at paradise
Too afraid to leave the shoreIf I wake up tomorrow
I don't want to be found in the shallow
All my life I've waited for this
I'm rollin' out to deep water
I hear you callin' out my name
Deep water
I will never be the same
Deep water
Deep waterSpent my whole life looking for ways to medicate
Too afraid to fight the war
And I'm sick and tired of this fallen chase
Never going back anymoreWhen I wake up tomorrow
I don't want to be found in the shallow
All my life I've waited for this
I'm rollin' out to deep water
I hear you callin' out my name
Deep water
I will never be the same
Deep water
Deep waterI've been redeemed from all of my demons
You've taken me deeper, you're takin' me deeper
I've been redeemed from everyone of my demons
And I'm going deeperI'm rollin' out to deep water
I hear you callin' out my name
Deep water
I hear you callin' out my name
I'm rollin' out to deep water
I hear you calling out my name
Deep water
I will never be the same
Deep water
Deep water
