

# Firefly

## Mura Masa

Pavement's turning into gold  
And it's risin' up into my eyes  
Up on my back I feel the static and more  
Tripping the wire, surrounded in timeI see this as mystical  
I'm sure that you knowSee this as mystical  
I'm sure that you knowJust say  
You'll be my firefly  
Take everything or nothing at allJust say  
You'll be my firefly  
Take everything or nothing at allJust say "yes"  
Just say "yes"  
Just say  
"I'd rather have everything than nothing at all"Just say "yes"Sorry I've got none to pose  
Images I pictured inside  
Everything I've tried to close  
Carrying the weight on my back I feel the static and more  
Tripping the wire, surrounded in timeI see this as mystical  
I'm sure that you knowSee this as mystical  
I'm sure that you knowJust say  
You'll be my firefly  
Take everything or nothing at allJust say  
You'll be my firefly  
Take everything or nothing at allJust say "yes"  
Just say "yes"  
Just say  
"I'd rather have everything than nothing at all"Just say "yes"
