

# Angelfuck

## 13 Ghosts

Little angelfuck  
It's a shame that luck is the only thing  
Did you like the fun  
Did you like the times that I promised youOpen wounds on your brow  
Little angel in red  
She isn't loving you anymoreLittle angelfuck  
I see you going down on a fireplug  
Little angelfuck  
Size for everyoneLet those bastards believe  
Dry your eyes and we'll leave  
She isn't loving you anymoreLittle angelfuck  
I see you going down on a fireplug  
Oh, little angelfuck  
Size for everyoneLet those bastards believe  
Dry your eyes and we'll leave  
She isn't loving you anymore
