Silver Surfer Intermission

Kanye West

Yeezy, Yeezy, what's good?
It's your boy Max B, what's going on?
Just checking in on you
Appreciate the love and support
The wave is here
You a wavey dude anyway, so you already know
Ain't no problem, man, the game
You already know how this game thing goes
Do your wave nigga
You got the official wave man
Just, just doing you
Doing you, doing your wave
And keep it loopy, I know you're going to keep it loopy man
Shoutout, just shout you out
Hollering at you man, it's all love
I appreciate the the energy
And we here, hit the town, we do something big
We gonna make a big tsunami up in the joint
You already know what it is, ahhSilver Surfer
Silver Surfer in the fleshSilver surfer in the flesh
Max Bigavelli shoutout to Yeezy
What's good, I see you
It's love, appreciate it
It's honor, appreciate it
Ugh, wavey, baby, yeah
