Ambershift

Lyrics by David Lord
www.ambershift.net

I have lost along the way
Too far gone to give you more
Feeling always kind of strange
I can almost see you more...whats more if I...

(Chorus)
Don't try to test my patience,
I don't have a lot to say
you will not be forever,
your're much better off that way

Easy come now easy go
A little heart a bitter soul,
I will always be your friend
but i can't love you til the end

Chorus
Solo
