

Trust Me

Memphis Bleek

[Brooke (Urban Mystic):] Love is a funny thing (oh yes it is)

It can live through what people say

The only thing I ask (what you ask?)

Is that you have some respect (I got it babe)

[Both:] And please dont take

My love away

[Urban:] yea

[Brooke:] oooh

[Urban:] oooh

[Brooke:] yea

[Brooke (Urban):] You can trust me (trust me)

I can trust you

Baby I trust you

Baby we could fly away

oh whoa

Nothing matters cuz nothings better

Baby I will always stay

[Brooke:] I cant believe that we're back to here

Must of been about a whole year

Suffering losing all my sleep

Cuz I didnt have you here

[Urban:] I replay it a hundred times

Without you home it anit right

I know I prayed almost everyday

Lord give me back my life yea

[Brooke:] I used to be scared of losing you

Would you be scared to lose me too?

No we never need to worry

Finally the truth will set us free

Now you know I never want to leave

You can be you and I can be me

You can trust me

I can trust you

Baby I trust you

Baby we could fly away

oh whoa

Nothing matters cuz nothings better

Baby I will always stay

I cant beleive that I'm not alone
To have you backs like having a home
Cuz I remember what you said to me
I ride for you you ride for me
We can be whatever you like
Best friends your by my side
Whatever you want is fine
All I want is you in my life
I used to be scared of losing you
Would you be scared to lose me too?
No we never need to worry
Finally the truth will set us free
Now you know I never want to leave
You can be you and I can be me
You can trust me
I can trust you
Baby I trust you
Baby we could fly away
oh whoa
Nothing matters cuz nothings better
Baby I will always stay
Trust me
I can trust you
Baby we could fly away
Trust me
Trust you
Baby we could fly away
I used to be scared of losing you
Would you be scared to lose me too?
No we never need to worry
Finally the truth will set us free
Now you know I never want to leave
You can be you and I can be me
