

Bridge to Your Heart (Re-Recorded)

Wax

One, two, one, two, one, two, three, four
Hold it now
You hoo hoo you've been gone for so long
I'm losing sleep
Look at what you're doing
And I- I- I yes I know that I was wrong
But I couldn't see
See what I was losing Come back now baby
Little run around
Little run around
Little lost and found
Little lost and found yeah
Don't make me crazy
Just bring your body back home
Right here where you belong Whoa
Building a bridge to your heart
Whoa
Let's make a new start
Build a bridge to your heart I don't know what the future's gonna be
Good or bad
Time won't be your saviour
And I can't give you no written guarantee
I won't make you sad
But I'll be on my best behaviour Look what you're doing
When you put me down
When you put me down
Made me the clown
Made me the clown yeah
Look what you're doing
Just come on over and see
Just how much lovin's in me yeah Whoa
Building a bridge to your heart
Whoa
Let's make a new start
Build a bridge to your heart Listen, I'll take you any way I can tonight
Come back and satisfy my appetite
You gotta know you mean that much to me
To get you back you know I'll do anything Come back, baby
Just bring your body back home

Right here now baby here you belong Whoa

Building a bridge to your heart

Whoa

Let's make a new start

Build a bridge to your heart Whoa

Building a bridge to your heart

Whoa

Let's make a new start

Build a bridge to your heart Whoa

Building a bridge to your heart

Whoa

Let's make a new start

Build a bridge to your heart Whoa

Building a bridge to your heart
