

Half the World Away

Oasis

I would like to leave this city, this old town don't smell too pretty and
I can feel the warning signs running around my mind
And when I leave this island I'll book myself into a soul asylum
'Cause I can feel the warning signs running around my mind So here I go, I'm still scratching around in the same
old hole
My body feels young but my mind is very old
So what do you say?
You can't give me the dreams that are mine anyway You're half the world away
Half the world away
Half the world away
I've been lost I've been found but I don't feel down And when I leave this planet, you know I'd stay but I just
can't stand it and
I can feel the warning signs running around my mind
And if I could leave this spirit, I'll find me a hole and I'll leave in it
And I can feel the warning signs running around my mind Here I go, I'm still scratching around in the same old
hole
My body feels young but my mind is very old
So what do you say?
You can't give me the dreams that are mine anyway You're half the world away
Half the world away
Half the world away
I've been lost I've been found but I don't feel down No I don't feel down, no I don't feel down
I don't feel down, I don't feel down
I don't feel down, I don't feel down
I don't feel down
