

# For you I will

## Space Jam OST

When you're feeling lost in the night  
When you feel your world just ain't right  
    Call on me, I will be waiting  
    Count on me, I will be there  
    Anytime the times get too tough  
    Anytime your best ain't enough  
    I'll be the one to make it better  
I'll be there to protect you, see you through  
I'll be there, and there is nothing, I won't do  
[Chorus]I will cross the ocean for you  
    I will go and bring you the moon  
    I will be your hero, your strength  
        Anything you need  
    I will be the sun in your sky  
    I will light your way for all time  
        Promise you, for you I will  
    I will shield your heart from the rain

I won't let no harm come your way  
Oh these arms will be your shelter  
No these arms won't let you down  
    If there is a mountain to move  
    I will move that mountain for you  
    I'm here for you, I'm here forever  
    I will be your fortress, tall and strong  
I'll keep you safe, I'll stand beside you, right or wrong  
[Chorus]For you I will, lay my life on the line  
For you I will fight, hmm, for you I will die  
    With every breath, with all my soul  
    I'll give my word, I'll give it all  
        Put your faith in me  
        And I'll do anything  
[Chorus]Promise you, for you I will
