Make that ass roll like a 24
Let me see you make that ass roll like a 24
Shorty make that ass roll like some 24's
Let me see you make that ass roll like a 24 I can make my ass roll like a 24
I can make my ass roll like a 24
I can make my ass roll like some 24's
I can make my ass roll like a 24 Now drop, now drop it to the floor
Spin it like some stop-and-go's
Drop it, drop it to the floor
Spin it like some stop-and-go's
Roll like a 24
Let me see you make that ass roll like a 24 Now I can tell from back in the days
When we was shortys in the hood
That you was gon' grow to be thick
As hell and lookin' good
Now you are 21 and them thighs ain't no punk
Lookin' fine as hell like a penny jumped up in the trunk Make a nigga give you what you want
Put that ass on dubs
Feelin' when you get the party crunk
Feelin' when you twerk it in the clubs
Feelin' when you get down on the floor
Love when you get down on the low
Feelin' wanna jack that ass
Wanna bump and get the hoe, get the hoe Baby, I just got some 24's and I love to watch 'em spin
So let me see you make that ass roll like my rims
Feelin' like them Omega Jordans, pop that booty for my squad
Work that phatty, throw it hard, roll it like a loaf and hard Make that ass roll like a 24
Let me see you make that ass roll like a 24
Shorty make that ass roll like some 24's
Let me see you make that ass roll like a 24 I can make my ass roll like a 24
I can make my ass roll like a 24
I can make my ass roll like some 24's

I can make my ass roll like a 24
 Now drop, now drop it to the floor
 Spin it like some stop-and-go's
 Drop it, drop it to the floor
 Spin it like some stop-and-go's
 Roll like a 24
 Let me see you make that ass roll like a 24
 Yo already know hoes down pimps up
 When pimpin' step up in the house put your bitch up
 I got a Remi bottle instead of a pimp cup
 It shine like a summer day with my wrist up
 She wanna wave now 'cause my nigga Twista
 Dissed her then bounced with her sister
 I tell her keep her head down and her hips up
 You can keep the pussy I'ma tear them pretty lips up
 Let that ass roll like 24's on a big truck
 And your g-string let it bounce when the beat bang
 Make it drop like them cars in the g-thang
 Pull up your skirt, work it like the hood, keep sayin'
 Make that ass roll like a 24
 Let me see you make that ass roll like a 24
 Shorty make that ass roll like some 24's
 Let me see you make that ass roll like a 24
 I can make my ass roll like a 24
 I can make my ass roll like some 24's
 I can make my ass roll like a 24
 Now drop, now drop it to the floor
 Spin it like some stop-and-go's
 Drop it, drop it to the floor
 Spin it like some stop-and-go's
 Roll like a 24
 Let me see you make that ass roll like a 24
 Come on shorty, make that ass pop, drop it like a rag-top
 Shake it like it's bomb dro, stir it up like ready roc
 I gotta pocket full of tens and dubs
 I'm up in the club, drunk as fuck, stuck, lookin' for love
 They lookin' for thugs and I got to admit, guys we trust
 A lil' game, a lil' fame, I'll have 'em piling in the church bus
 Pumping on bomb dro, straight up to the condo
 Open the bus doors, head up to the twelfth floor
 It's 'bout to crack now, layin' on my back now
 She shook one cheek at a time then dropped it back down
 I'm goin' through a thang, I never knew the name
 All I know is when she got low, a nigga lost it man
 You got my thang on swole
 Back that ass up
 Girl, you got my thang on swole
 Now make that ass drop
 You got my thang on swole
 Make that ass bounce
 Girl, you got my thang on swole
 Now make that ass drop
 Drop somethin', shake somethin'
 Work somethin', twerk somethin'
 Break somethin', shake somethin'

Work somethin', twork somethin' Break it, shake it, work it, twork it
Break it, shake it, work it, twork it
Break it, shake it, work it, twork it
Break it, shake it, work it, twork it Shorty let me see you make the left side move
Now let me see you make the right side move
Now let me see you make both sides move
Now baby bounce, bounce, bounce, bounce Make that ass roll like a 24
Let me see you make that ass roll like a 24
Shorty make that ass roll like some 24's
Let me see you make that ass roll like a 24 I can make my ass roll like a 24
I can make my ass roll like a 24
I can make my ass roll like some 24's
I can make my ass roll like a 24 Now drop, now drop it to the floor
Spin it like some stop-and-go's
Drop it, drop it to the floor
Spin it like some stop-and-go's
Roll like a 24
Let me see you make that ass roll like a 24
