

Time After Time

[Donna Hughes](#)

Lying in my bed, I hear
The clock tick and think of you
Caught up in circles
Confusion is nothing newFlashback, warm nights almost left behind
Suitcases of memories, time afterSometimes you picture me
I'm walking too far ahead
You're calling to me
I can't hear what you've saidThen you say go slow, I fall behind
The second hand unwindsIf you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after timeAfter my picture fades
And darkness has turned to gray
Watching through windows
You're wondering if I'm okaySecrets stolen from deep inside
The drum beats out of timeIf you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after timeIf you're lost you can look and you will find me
Time after time
If you fall I will catch you and I'll be waiting
Time after time
