

Jessica

Elliot Minor

The way you see her on TV,
She looks so good and she's not make believe,
She's black and white in Sin City,
Come on now honey just do it for me. She's good, she's bad, everything I need,
I need you here now to put me to sleep,
Into the blue we dive so deep,
I'm hoping that one day you will... Walk with me, let's walk into the night,
Jessica, come home with me tonight,
Superstar, you mean so much to me,
To me... I'm never giving up! Let's fight, tonight, you're my dark angel,
Let's go and run 'til we trip and we fall,
So take the sky cause the world's too small,
And follow you with the fantastic...
For the first time I stood staring down across the word,
(Now walk with me tonight) Walk with me, let's walk into the night,
Jessica, come home with me tonight,
Superstar, you mean so much to me,
To me... I'm never giving up! I'm never giving up! Walk with me, let's walk into the night,
Jessica, come home with me tonight,
Superstar, you mean so much to me,
To me... I'm never giving up!
Walk with me, let's walk into the night,
Let's walk into the night... Jessica, come home with me tonight,
Superstar, you mean so much to me, Superstar, you mean so much to me,
To me... I'm never giving up!
