

# Mean Old 'Frisco Blues

## Arthur "Big Boy" Crudup

Well that mean old old frisco  
And that lowdown santa fe  
Done took my babe away  
Lord and blowed back at me Yes my mama told me  
Papa told me too  
Son every woman scream in your face  
Lord she ain't no friend to you Lord I wonder  
Do she ever think of me  
Well I wonder I wonder  
Will my babe come back to me Yes I'm standing and looking  
Watching that southern whistle blow  
Well she didn't catch that southern  
Lord now where did the woman go  
Lord I ain't got no  
Special rider here  
I might leave  
because I don't feel welcome here
