

# I Give It to You

## Cana's Voice

All my fear all my pain  
All my helplessness and shame  
All my doubts what i  
thought was true  
I give it to you give it to you  
Every hope every dream  
Every joy and every peace  
Every thing that ive been through  
I give it to you give it to you  
So i give it to you give it to you Cause your strong enough  
To carry it all  
There is nothing you cant do  
Everything i bring  
You can take it knee deep  
If i give it to you give it to you  
So i give it to you give it to you  
OoOh ooh ooh  
Ooh ooh oh All my heart all my mind  
All my striving all my life  
You can make all things new  
So i give it to you give it to you  
So I give it to you give it to you Because your strong enough  
To carry it all  
There is nothing you cant do  
Everything i bring  
You can take it knee deep  
If i give it to you give it to you  
So i give it to you give it to you OOh ooh oh  
Ooh ooh oh  
All my worship all my praise  
All my confidence and faith  
All my love gratitude  
I give it to you give it to you  
I give it to you give it to you Because your strong enough  
To carry it all  
There is nothing you cant do  
Everything i bring  
You can take it knee deep  
If i give it to you give it to you

So i give it to you give it to you  
Yes i give it to you give it to youOoh ooh oh  
Ooh ooh oh  
Ooh ooh ohI give it to you give it to you
