

# Seven Wonders

## Fleetwood Mac

A long ago  
Certain place, certain time you touched my hand  
On the way, on the way down to emmiline  
But if our paths never cross, well you know I'm sorry but If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
The rainbow's end, ever, ever So it's hard to find  
Someone with that kind of intensity  
You touched my hand I played it cool  
And you reached out your hand to me  
But if our paths never cross  
Well you know I'm sorry but If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
The rainbow's end, ever, ever So long ago  
It's a certain time, it's a certain place  
You touched my hand and you smiled  
All the way back you held out your hand  
If I hope and if I pray, ooh it might work out someday If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again If I live to see the seven wonders
