

The Green Manalishi (With The Two-Pronged Crown)

Judas Priest

Now when the day goes to sleep and the full moon looks
And the night is so black that the darkness cooks
And you come creeping around, making me do things I don't want to do
Can't believe that she needs my love so
bad
Come sneaking around, trying to drive me mad
Busting in all my dreams, making me see things I don't want to see
Cause you're the Green Manalishi with the
two-pronged crown
All night dragging us up, or you're bringing us down
Just taking my love, and slip away
Leaving me here, trying to keep from following you
