

# All About Us

t.A.T.u.

They say don't trust  
You, me, we, us  
So we'll walk  
We must  
'Cause of you, me  
And it's all about  
It's all aboutIt's all about us, all about us  
It's all about, all about us  
All about us  
There's a theme that they can't touch  
'Cause you know usIt's all about us, all about us  
It's all about, all about us  
All about us  
Run away if we must  
'Cause you know usIt's all about us (it's all about us)  
It's all about us (it's all about us)  
And no-one can trust (it's all about us)  
It's all about usIf they hurt you  
They hurt me, too  
So we'll rise up  
Won't stop  
And it's all about  
It's all aboutIt's all about us, all about us  
It's all about, all about us  
All about us  
There's a theme that they can't touch  
'Cause you know usIt's all about us, all about us  
It's all about, all about us  
All about us  
Run away if we must  
'Cause you know usIt's all about us (it's all about us)  
It's all about us (it's all about us)  
And no-one can trust (it's all about us)  
It's all about usThey don't know  
They can't see  
Who we are  
Fear is the enemy  
Hold on tight, hold on to me  
'Cause tonightIt's all about us

It's all about, all about us  
There's a theme that they can't touch  
'Cause you know us It's all about us, all about us  
It's all about, all about us  
All about us  
There's a theme that they can't touch  
'Cause you know us It's all about us, all about us  
It's all about, all about us  
All about us  
Run away if we must  
'Cause you know us It's all about us (it's all about us)  
It's all about us (it's all about us)  
And no-one can trust (it's all about us)  
It's all about us  
It's all about us
