

It Could Happen to You

[Rosemary Clooney](#)

Hide your heart from sight, lock your dreams at night

It could happen to you

Don't count stars or you might stumble

Someone drops a sigh and down you tumble Keep an eye on spring, run when church bells ring

It could happen to you

All I did was wonder how your arms would be

And it happened to me Keep an eye on spring, run when church bells ring

It could happen to you

All I did was wonder how your arms would be

And it happened to me
