What A Crying Shame

[The Mavericks](#)

Wasn't I good to you
Didn't I show it
And if I ever hurt you
I didn't know itAnd if you think I don't care
Then you're mistaken
My love was always there
But now my heart's breakin'Oh, baby oh, what a cryin' shame
To let it all slip away
And call it yesterdayOh, baby my life would be so blue
My heart would break in two
Oh, what a cryin' shame'Cause I believed in you
From the beginnin'
I thought our love was true
But now it's all endin'Oh, baby oh, what a cryin' shame
To let it all slip away
And call it yesterdayOh, baby my life would be so blue
My heart would break in two
Oh, what a cryin' shameOh, baby oh, what a cryin' shame
To let it all slip away
And call it yesterdayOh, baby my life would be so blue
My heart would break in two
Oh, what a cryin' shameOh, what a cryin' shame
Oh, what a cryin' shame
Oh, what a cryin' shame
Oh, what a cryin' shame
Oh, what a cryin' shame
