

By My Side

INXS

In the dark of the night
Those small hours
Uncertain and anxious
I need to call you Rooms full of strangers
Some call me friends
But I wish you were so close to me In the dark of night
Those small hours
I drift away
When I'm with you In the dark of night
By my side
In the dark of night
By my side
I wish you were
I wish you were Here comes the clown
His face in a wall
No window
No air at all In the dark of night
Those faces they haunt me
But I wish you were
So close to me In the dark of night
By my side
In the dark of night
By my side
I wish you were
I wish you were In the dark of night
By my side
In the dark of night
By my side
I wish you were
I wish you were In the dark of night
Those faces they haunt me
But I wish you were
So close to me
Yes, I wish you were
By my side
