How She Died

Treble Charger

You got the best of me
It didn't take so long
The things you put me through
Seem to be so wrongYou did not lie
It's far beyond you
You've said you tried
You cannot prove itI close my eyes
I don't wanna find out how she died
Foolish pride
You can't expect to turn away tonightYou've seen the last of me
Don't have to take my hand
You shouldn't try so hard
So hard to understandI've seen the end
Just waiting for me
No time to spend
To doubt a momentI can't stand to agonize
On what I've lied, apologize
It's far beyond your sense of play
It's anywhere and everywhere
why the hell would you cry and youd never say goodbye.
