Kidnapping an Heiress

Black Box Recorder

Born into money it's not a crime
You can fool the people all the time
Nine hundred dead in Jones town
Rescued from a shopping mall
Heiress with a little girls soul
Do you think we'll make the papers?And we're searching for your daughter
And we're searching for your daughterOn Saturday the childhood ends
Strange way to make new friends
She's lying in the basement
Black boy, white girl
Black girl with a blindfold
Which one will be your loverAnd we're searching for your daughter
And we're searching for your daughter
(Kidnapping an heiress)
(Kidnapping an heiress)
(Kidnapping an heiress)
(Kidnapping an heiress)Lock her up for sixty days
Change her hair, change her name
Smile for the camera
Friendships about trust
If we trust you then you're one of us
Live together, die for each otherAnd we're searching for your daughter
(Kidnapping an heiress)
(Kidnapping an heiress)
And we're searching for your daughterKidnapping an heiress
Kidnapping an heiress
Kidnapping an heiress
Kidnapping an heiressBorn into money it's not a crime
You can fool the people all the time
Nine hundred dead in Jones town
Get down, stay down
(Put a bullet in your head)
It's only money
Smile for the cameraHow could you not defend your honor?
(Kidnapping an heiress)
(Kidnapping an heiress)
And we think we've found your daughter
(Kidnapping an heiress)
(Kidnapping an heiress)And we think we've found your daughter

(Kidnapping an heiress)
(Kidnapping an heiress)
(Kidnapping an heiress)
