

Find A Way (feat. Emmanuel Jal)

Nico & Vinz

Made my way to the borderline
Lookin' up toward the friendly skies
Everything that I thought I had,
Taken right before my eyes.

Oh yeah Give me faith, give me love, 'cause I need it!

Show me grace, make me strong, let me feel it! Where to go, can I walk to redemption. Don't know how I'll be
okay,

But I'll find a way.

Said I'll find a way Don't know. how I'll be okay,
But I'll find a way Do you remember, that when we used to play?

Do you remember, when you put me in my place?

Do you remember, when you told me I should go?

And I left you fighting all alone? I see the writings on the walls

I feel it coming. yes I do

Us together like before

I don't know how we'll be okay

But I'll find a way. No matter way, no matter way,

I am gonna see any way

I am gonna see any way

To lord your boar to lord your terror I pray

To lord your boar to lord your terror I pray 'Cause I've waited finally shout,

To open up my mouth and let the truth come out

Yes I'll say it without a doubt Don't know. how I'll be okay,

But I'll find a way (Say!) I will find a way

(Say!) I will find a way

(Say!) I will find a way (Oh!) I will find a way

(Oh!) I will find a way

(Whoow!) I will find a way I will find a way (Say!) I will find a way

(Say!) I will find a way

(Say!) I will find a way (Oh!) I will find a way

(Oh!) I will find a way

(Whoow!) I will find a way I will find a way Said I will find a way oh

Said I'll find a way oh I said I don't know how

I'll be okay, but I'll find a way.
