

Amen (feat. Aquilo)

Enigma

I'm out on a new road in search for a land with no name
And I never look back cause I'm walking through sunshine and rain.
I'm a man who has lived in the tombs and who's broken the chains. Amen x 2 I was blind and now I see
What god is enough for me
And I know it's time to go
I've been used and I've been played
I've been spied on and betrayed
And I know it's time to go Watch out
I feel the pain
Watch out
I'm alive again
The past is gone for good ...it's time to say: Amen x 4 I'm lost, I believe I will be found
In the silence of my nights
I can hear a distant voice
Someone out there is calling my name Watch out
I'm not afraid
Watch out
I'm beyond the dread
It's time to turn the page and love again
Watch out
I can feel your pain
Watch out
In a crying game
I'm leaving all my shadows behind Amen x 4 Tentanda Incognita
