

Friend of a Friend

Foo Fighters

He needs a quiet room
With a lock to keep him in
It's just a quiet room
And he's there He plays an old guitar
With a coin found by the phone
It was his friend's guitar
That he played He's never been in love
But he knows just what love is
He says never mind
And no one speaks He thinks he drinks too much
'Cause when he tells his two best friends
"I think I drink too much"
No one speaks, no one speaks, no one speaks He plays an old guitar
With a coin found by the phone
It was his friend's guitar
That he played When he plays
No one speaks
No one speaks
When he plays
No one speaks
