

High Hopes

Cindy Fee and Eddie Angel

My hopes are high
But my eyes can't believe what they see, no
 Oh, give me something to believe
 Give me something to believe
 Oh, I've got lucky in life and had plenty to eat
 And I saw this world as one big pool of opportunity
 Oh but there's too much mind corruption
 Too little remedy or that's how it seems to me
 Yeah, we need a moral education to set the young minds free
 So let us change what we can and accept what we can't
 And impart some of the wisdom from that tried and tested man
 Oh, there's no harm in being wrong, you know, no
 In fact to me, it's common ground, yeah
 So take that feather from you cap, sir
 And pass that feather around
 My hopes are high
 But my eyes can't believe what they see
 Oh, give me something to believe in
 Give me something to believe, yeah
 Oh, my hopes are high
 But my eyes can't believe what they see
 Oh, my hopes are high
 Oh, give me something
 Give me something to believe
