

Is It My Body (b side: Sugar Kane)

Sonic Youth

What have I got that makes you want to love me
Is it my body or someone I might be or something aside me?
Tell me, tell me, it's really up to you Have you got the time to find out who I really am?
Oh aw What does it take to get inside your mind
Give me your brain and take a chance with my first time
Tell me, tell me, it's really up to you Have you got the time to find out who I really am?
Ohh no What have I got that makes you want to love me
Is it my body or someone I might be or something aside me?
Tell me, tell me, it's really up to you Have you got the time to find out who I really am
Oh aw Oh aw oh aah uh aah uh ahh uh uhh
Come baby
Alice, come on, come on, come on, come baby
Come on
