

# Lollipops and Roses

## Herb Alpert and the Tijuana Brass

Tell her you care each time you speak  
Make it her birthday each day of the week  
Bring her nice things, sugar and spice things  
Roses and lollipops and lollipops and roses One day she'll smile, next day she'll cry  
Minute to minute you'll never know why  
Coax her, pet her, better yet, get her  
Roses and lollipops and lollipops and roses We try acting grown up but as a rule  
We're all little children fresh from school  
So carry her books that's how it starts  
Fourteen or forty they're kids in their hearts Keep them handy, flowers and candy  
Roses and lollipops and lollipops and roses So carry her books that's how it starts  
Fourteen or forty they're kids in their hearts  
Keep them handy, flowers and candy  
Roses and lollipops and lollipops and roses
