## Paul Thomas Saunders

With the last breath of our angels

We take final STEPS.

And I lay him down

On those killing fields

Where nameless kneel.If I could.

If I could

I'd fuck it up.

If I could.

If I could

I'd be enough.

If I could.

Did her last kiss cut you deep enough,

With so little lust.

Did YOUR tears fall like

YOUrunborn child's.

With her perfect eyes.If I could.

If I could

I'd break your heart.

If I could.

If I could.

Good WOMEN lie down with losers everyday.

I'll TAKE him to the killing fields lay him down nameless. Deserving.

I swear I saw my child in her eyes.

I swear I've seen his tears in boys eyes.

In boys eyes.
